- Do you want to expand your existing small business?
- Do you need money for operating expenses, inventory, equipment, supplies, leasehold improvements, facility renovations or product expansion?
- Are you tired of paying rent and considering a facility of your own?
- Do you need assistance and want to know where to find it?

If the answer to any of these questions is "YES," then you should attend the "Financing for Small Businesses" seminar! Hear how the U.S. Small Business Administration can be a loan source for your growing small business through SBA participating lenders i.e. Security Service Federal Credit Union.

Must RSVP---Call SSFCU at 1-866-809-6354.
